Ed. Bilitzke Gets Circuit Judgeship

APPOINTED TO SUCCEED LATE JUDGE GUY E. SMITH

Was Gaylord Attorney. Resigns As Assistant Att'y General

In the appointment of Attorney Edward A. Bilitzke for circuit judge to succeed the late Judge Smith, there is every reason to believe that the 34th judicial circuit is in good hands. He resigned as assistant attorney general Tuesday to accept the appointment by Gov. Fitzgerald. He was sworn into office by Chief Justice Walter H. North of the Supreme Court. He will leave Lansing last of the week to resume his home in Gaylord.

Bilitzke is 37 years old, and first served in the Attorney General's Office under former Attorney General Paul W. Voorhies in 1931 and 1932. He was attorney for Secretary of State during Fitzgerald's term in that office, 1933, 1934, and returned to the Attorney General's Office under former Attorney General Harry S. Toy in 1935.

Before going to Lansing, Bilitzke had been prosecuting attorney of Otsego County from 1927 to 1930. Bilitzke attended the University of Detroit Law School in 1922 and later studied in the office of Thomas A. E. Weadock, of Detroit.

Bilitzke has been the public utilities expert in the Attorney General's Office and represented the State in the pending Michigan Bell Telephone Co. rate case before the Public Utilities Commission. He also handled the Michigan-Wisconsin boundary dispute which recently was settled by the United States Supreme Court, the Nebo-Shone case involving the right of the public to fish in navigable waters, and the level case in which Michigan protested against the diversion of Lake Michigan water by the Chicago sanitary district. Bilitzke said Tuesday that he will be a candidate in November for election to the balance of Judge Smith's term, beginning Jan. 1, 1937. Attorney General David H. Crowley said that no arrangements had been made to fill the vacancy caused by Bilitzke's resignation. An outstate man probably will be selected.

THE ESSAY WINNING THE \$10 GRAND PRIZE

"I'd like to pick my typewriter like dad picks his car—good looks and efficiency combined. It must be smooth, quiet and not tiring—a portable that can 'rough it' where inspiration takes me.

I can not afford expensive mistakes; my typewriter must already have proven itself. That's why I choose Corona."

82 Deer Removed From Military Camp

Eighty-two deer were live-trapped and transported from the Portage Creek swamp in Crawford county to new areas in Kalkaska and Missaukee counties during the past winter, state game authorities report.

Fifty-four of the deer were released in the North Manistee river swamp, which is largely state owned, in Kalkaska county, and 28 deer were released in the state-owned Butterfield swamp in Missaukee county. All of the deer had been tagged before release and the tag numbers recorded.

Whether any of these deer will migrate back into the Portage Creek swamp and how far they will travel from point of release are matters game men hope to learn through reports on ear-tags. Deer hunters next fall will be asked to report any buck deer killed or any deer found dead in the woods bearing aluminum ear-tags.

Sealed Bids

Sealed bids will be accepted up to and including May 28 for the sale of one building known as Frederic township tool shed and one Port Huron 16 h. p. engine. The board reserves right to accept or reject any or all bids.

JUDGE GUY E. SMITH

Illness Fatal To Judge Smith

CIRCUIT JUDGE DIES IN SAGINAW HOSPITAL

Circuit Judge Guy E. Smith, 71, of Gladwin, died in Saginaw hospital last week Thursday, after several months of illness. He spent part of last winter in Florida in an attempt to shake off his illness.

Judge Smith was born in Bay City, and the Daily Times of that city, in reporting his death, said in part the following:

Judge Guy E. Smith won a statewide reputation for his "horse sense" verdicts, which resulted probably from the fact that as a young man he worked as a lumberjack, reading law at night and in his spare time until he was ready for the bar.

Born in Bay City May 16, 1865, Judge Smith was left an orphan at an early age. He spent part of his youth in the now deserted lumbering town of Meredith. At the age of 15 he came to the Gladwin area, where he was later to gain the esteem and respect of residents. During that period he worked in Gladwin lumber camps. He was admitted to the bar in 1893 after attending school in Flint and Flushing and studying law in the offices of Durant and Carlton at Flint.

Two years later, when he had his own law shingle hanging in Gladwin, he was elected prosecuting attorney of Gladwin county, holding that post until 1901, when he was chosen probate judge. In 1919 Governor Albert E. Sleeper appointed him to the circuit bench as successor to the late Judge Nelson G. Sharpe, of West Branch, named to the state supreme court.

Until advancing age and failing

health forced him to curtail his activities, Judge Smith was in great demand as a visiting judge on the Wayne county circuit.

He was a Mason and a communicant of the Episcopal church. He had been a bachelor until 1922, when he married Mrs. Maude Black, who died in 1933. He leaves a daughter, Guinevere, 12, and three step-sons, Donald Black, of Lansing; George H. Black, of Midland, and William Black, a student at the University of Detroit.

Funeral services were held in Gladwin Monday afternoon at 2:00 o'clock. Rev. Charles L. Ramsey, of St. Paul's Episcopal church officiated. During the afternoon of the funeral flags at half mast were unfurled at the court house and before every business place in Grayling.

County Clerk Axel Peterson, Prosecuting Attorney Merle Nelson and Registrar Ronnow Hanson from Grayling were in attendance at the funeral.

Camp Fire Notes

The Humming Birds
We met at Michelson Memorial church, Saturday, May 2nd. There were 12 members present. We have a new member, Mary Howell.

We went on a picnic to the woods back of the golf course. We took our lunch. We played games and picked flowers.
Betty Lee Vallad.

Wetomachick Campfire Girls
On Monday after school, 23 Campfire Girls went out on the river road. After gathering arbutus they ate lunches and then arranged the flowers in May baskets which they delivered in the evening. One unplanned event of the day was the discovery of a horse having left for the "Happy Hunting Ground." Some of the girls feeling sorry for it gave it a fitting burial.

Our next meeting will be Friday, May 8.

4-H Clubs Meet At Johannesburg

4-H Achievement Day in Johannesburg, on April 24, presented a very colorful and joyous day for nearly 300 4-H Club boys and girls and their parents and friends.

In the school building a variety of articles made by the Handicraft boys were exhibited, including such useful articles as writing desks, long-handled dust pans, book-cases, and baskets. Nearly 550 articles made by the 4-H Clothing Club girls made a colorful and interesting exhibit. The Food Preparation Club had an interesting and instructive exhibit of posters and notebooks.

The morning program included two movies, "Agricultural Explorations in Java and Ceylon," and "Carry on." The afternoon session was opened by the girl's style revue in which the girls wore the dresses made in club work. The Popular Mechanics handicraft club of Elmira presented a highly interesting basketry demonstration, and the Frederic Pals and Clever Carpenters put on a minstrel show. Mr. A. G. Kettunen, State Club Leader, and Miss Olga Bird, Assistant State Club Leader, announced the county honor members, and the county camp delegates. L. B. Karr, district club agent, and Alice Hertzer, home demonstration agent, presented the leaders with the club pins and the Certificates of Achievement, which every club member receives upon completion of the club project.

In Crawford county the boys chosen as honor members were: James Cram, Charles Owen and Alva Hopkins. The Clothing Club girls chosen were: Bernice Newberry and Doris Jean Armstrong; Doris Leng was selected from the style revue. All these boys and girls were also named the Camp delegates.

FIFTH ANNUAL REUNION 329TH FIELD ARTILLERY VETERANS IN DETROIT

Former members of the 329th Field Artillery, Custer division, are invited to the 5th annual regimental reunion to be held at the Ford Shelby hotel, in Detroit, on Saturday and Sunday, May 16 and 17, according to E. J. Hanna, of Harbor Springs, publicity director and editor of "The 329th Barrage," regimental newspaper.

The program will include a banquet and program at 6:30, Saturday, followed by dancing in the ballroom. Registration will begin Saturday noon. Sunday will be stag day with special entertainment for the ladies.

Battery meetings from 2 to 3; regimental business meeting and election of officers at 3; a stag party with entertainment in the Spanish Grill at 8.

The 329th is one of Michigan's best known service outfits, recruited from all parts of Michigan and served valiantly in active warfare in France. Judge John J. Maher of Detroit, was a stable sergeant in the 329th. While stationed in the St. Mihiel sector in France the 329th fired enough shells to give an empty shell case as a souvenir to practically every family in Detroit. The 329th flags are on display in the capitol lobby in Lansing. The regiment was "on the lines" when the Armistice was signed.

The officers of the association are Kenneth Herkimer, Detroit, commander; George Trotter, Detroit, vice commander; Alfred L. Burns, Detroit, adjutant; Oscar Brady, Battle Creek, chaplain; and Harry H. Kemuend, Ionia, judge advocate.

If an election were held today, how would Roosevelt make out? Has he gained or lost in public favor during the past month? For the answers, see "America Speaks," the nation-wide weekly poll of public opinion. It appears in next Sunday's Detroit News.

Grange Notes

At the second meeting in June each Granger is to bring a sum of money, large or small, to put in the building fund. Then that meeting is to be known as an "experience" meeting when each one is to tell how they earned the money.

All the lady Grangers are invited to meet at Sister Cynthia Knecht's on May 15th. Pot luck. Bring needle and thimble.

A post card party for Mrs. Charles Corwin, Clementine Hotel, Mt. Clemens, Mich., was planned at the meeting Saturday. Jean Wakeley recited a very amusing poem and Jean and Dorothy Wakeley told some funny stories. However, Pearl Babbitt took the prize for story telling.

If you want to know how to get fish bait, ask John Knecht.

Charles Corwin ate dinner with the Dick Babbitt's Sunday.

MRS. BERT CHAPPEL PASSED AWAY

Mrs. Bert Chappel, age 67 years, well-known and highly respected resident of Grayling for the past 35 years, passed away at home late Sunday evening following a several weeks illness. Mrs. Chappel had been in ill health for many years and a few weeks ago began to fail rapidly until the end.

Ellen Melinda Dayton was a native of Oxburg, Canada, and came to the United States when a young woman, making her home at Dansville, Mich. It was at this same village that she became the bride of Bert Chappel in August 1886 and they resided there for many years. To the union eight children were born, seven of whom are still living. Coming to Grayling in 1901 this has been their home since.

For the past eight years Mr. and Mrs. Chappel have been caretakers at the Crawford County Infirmary and Mrs. Chappel by her motherly and sympathetic manner endeared herself to the elderly inmates that had come there to make their home. She was thrifty and the place was always kept very orderly. Mrs. Chappel was cherished by her family, of whom besides her husband she leaves three generations to reverse her memory.

Surviving besides the husband are seven children: Mrs. Julius Gelisse, Bay City; Leon, Clifford, Seth, Rex, Stanley and Mrs. Ethel Kinnee, all of Grayling, and there are 29 grandchildren and six great-grandchildren. Also one sister, Mrs. William Tunningly, of Linden, and a brother, George Dayton, of Dansville.

Funeral services were held yesterday afternoon at 2:00 o'clock, at the Michelson Memorial church, and the remains were laid to rest in Elmwood cemetery. Rev. Edgar Flory officiated at the services.

The Avalanche joins with many friends in extending sympathy to the family in their sad bereavement.

Those who came from out of town to attend the funeral services of Mrs. Bert Chappel were Mr. and Mrs. Julius Gelisse, of Bay City; Mr. and Mrs. Roy Chappel, of Oxburg; Mr. and Mrs. William Tunningly, of Linden; Mr. and Mrs. James Preston and Mrs. Everett Behrs and son Jimmy, of Lansing; Mr. and Mrs. Ed. Stillwell and Mrs. Bert Hollingsworth and son Russell, of Detroit; Dr. Rennar, of Vassar; and Mrs. William Dyer, Mrs. Alex Dyer, and Mrs. Herbert Walker, of Sterling.

10th Dist. Repub's To Meet At Bay City

Republicans of the Tenth Congressional District of Michigan will gather at Bay City on Monday evening, May 25, at the Scottish Rite Cathedral for a rally that promises to be one of the greatest political sessions this section of the state has ever known.

The affair, which is being sponsored by the Michigan League of Republican clubs, with Bay County Republicans as hosts, will combine a banquet to be followed by a dance. Governor Frank Fitzgerald will head a list of notables, including all Republican state officials, department heads and others prominent in the party, who are coming to the Tenth District party.

Chief speakers of the occasion will be Claris Adams, of Detroit, president of the Michigan Republican League, and former campaign manager for Senator and Postmaster General Harry S. New, of Indiana. Adams besides being a famous political campaign organizer is also rated an orator of outstanding ability, so much so that Arthur H. Vandenberg, one of Michigan's two senate members, has used him as his chief pinch hitter in the last few years.

So great is the interest in the rally that all persons desiring to attend are urged by M. Seth Babcock, of Bay City, general chairman, and Leslie C. Kefgan, ticket chairman, to place their reservations immediately with their county committee, because the 1200 available tickets will be pro-rated to each of the 14 counties in the district so as to give each county a fair share of the available tickets. The combined banquet-dance tickets are \$1.00 a person.

In addition to the rally a district convention of Young Republicans will be held at the Wenonah Hotel on the afternoon of May 25th, at 2:30, it has been announced by Ralph F. Swan, of Bay City, acting district chairman. The meeting will select permanent district officers and four members on the Michigan Board of Control of the Young Republican Federation. Only counties, who have effected a county organization of Young Republicans and affiliated with the Michigan Federation, will be entitled to participate in the business of the meeting.

District Health Dept. Activities

A District Health Department serves Crawford, Roscommon, Kalkaska and Missaukee counties and is financed by funds received from local, State and Children's Fund of Michigan appropriations, which amounted to \$18,843.33 for this year.

Dr. T. R. Laughbaum, director of the health department, is assisted by three public health nurses, a sanitary officer and a clerk. The regular program is augmented by dental services under the direction of Dr. F. E. Bearsh.

During the year 49,687 miles were traveled by the staff. Home visits numbered 5,053 with 745 visits to the schools. 2,057 children received a medical examination and 1,367 were protected against diphtheria or smallpox. Tuberculin tests were given to 2,110 individuals, and 284 X-rays were taken. The sanitary officer made 1,214 sanitary inspections.

The dental report shows that 701 children made 2,593 visits to the clinics, 618 extractions were made, 3,475 fillings inserted, and 542 prophylaxis given. 332 children had all necessary work completed at the clinic.

CAMP HIGGINS LAKE

Camp Higgins Lake is in the process of reconstruction. Many new features have already been added and many more are contemplated. The mess hall, recreation room and educational office have been decorated. A new pump has been added to the pump house. A concrete floor has also been added here. The hospital is in temporary quarters pending the remodeling of the old building. Headquarters is also being changed. Plans are under way to build tennis courts and to landscape the company area.

Pictures furnished by the United States Department of Agriculture were shown in the mess hall on Thursday evening.

Handicraft groups are making good headway in the educational program. About twenty-five boys are making bill folds in the leathercraft class. The archery class is starting on bows and arrows. All of these projects are made from the raw materials.

The photography class has been learning how to print and develop pictures. It is planned to take up some of the finer points of photography now that the longer periods of daylight will allow the taking of pictures after work.

Baseball and softball is in the air once more. Chaplain Connolly, sub-district Athletic Officer, has been busy the last few days arranging a schedule which will keep the whole Sub-district busy until July 4. A corrected and approved schedule will be available in a few days.

Mr. Braidwood, Chief Foreman, spent a few days leave last week at his home in Gaylord.

Dr. George M. Katzman, Sub-district surgeon, will go on leave for seven days beginning next Monday.

The May 1 issue of the camp newspaper, Higgins Lake Happy Days, carried a cover dedicated to Mother's Day. A representation of Whistler's Mother was the cover design. Many new features have been added to the camp newspaper. It is believed that Higgins Lake has one of the oldest camp newspapers in the CCC.

Let Not Affection Fade

By DOUGLAS MALLOCH

A sadder sight the sad heart knows

Than petals falling from a rose,
Than dying grasses where a plain
No longer feels the kiss of rain,
Than shattered beauty when a tree
Lies prostrate, never more to be:
Such things are even sadder when
They happen in the hearts of men.

For a rose whose day is done,
Its petals falling one by one,
And like a plain whose withered grass
Shall never green again, alas,
And like a tree whose branches lie
Along the ground, to droop and die,
So is the careless fading of
That thing of beauty known as love.

Let not that sadness come to you
If there is anything to do:
A more forgiving tenderness
To make you love the more, not less,

Any eye for virtue, not for sin,
Since mortals all have both within—
Let every rose fall in the glade,
But not your own affection fade.

The Senior class presented their play "Crashing Society" in Frederic gymnasium Friday evening, May 1. If you are interested in seeing what has been made, watch for the date of the combined style show given by the Home Ec. girls and the Shop exhibit by the boys.

Mr. Lewis, Mr. Beach, and the Senior class were guests of the Grayling Kiwanis club last Tuesday. They were served a very fine meal at the Shoppenagons Inn, followed by a very instructive and entertaining speech by Mr. Hamilton of Bay City Business College.

The Junior J-Hop plans are well under way. The Juniors are busy with decorations and advertising. You had better plan on coming Friday night, May 8, as your friends will all be there. Music by Grayling Poki-Dots.

THROUGH A Woman's Eyes

By JEAN NEWTON

THE POINT IS, WHAT DO WE THINK OF OURSELVES?

ONE of our readers writes of the tremendous influence in the lives of many people, particularly women, of the scourge of "What will people say?" It seems her family suffers from the constant obsession of one of its members with this thought of what people will say about every act on the part of anyone in the family.

"It is ruining the peace of the entire family," she writes, "and yet there doesn't seem to be anything we can do. Do you know of any way to let in light and cure this terrible obsession?"

It is so paradoxical, that obsession with what others will say, that is, what their opinion of us will be. For it shows a passionate desire to be well thought of, to be respected. And yet it frequently has nothing at all to do with self-respect. Many people who are so anxious about what others will think of them are not at all exacting in the matter of what they think of themselves.

That, it seems to me, is the crux of this tragic joke of the bogey "What will people say?" For many an action designed to put people in a good light with those who loom so large, is one that must make them despise themselves—if they stop to appraise their own conduct.

On the other hand, in the immortal words of Shakespeare, "To thine own self be true; and it must follow, as the night the day, thou canst not then be false to any man."

"To thine own self be true"—there is the secret. If we act so as to merit our own self-respect, keep face with ourselves, we need never worry about "What will people say?" There may at times be some temporary friction, but at ways in the end we shall have the respect of those whose opinion is worth while. For that tribunal within ourselves is one that cannot be fooled, cannot be hoodwinked. If we merit approval there, there can be no question of our rightness, which the world never fails ultimately to recognize.

what Irvin S. Cobb thinks about:

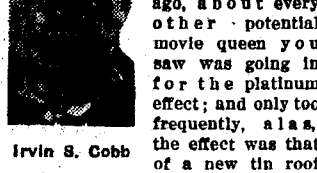

Styles in Hair Time.

SANTA MONICA, CALIF.

—There's more news concerning the mummified remains of that lovely Egyptian princess they found the other day—that daughter of some early Pharaoh, she who died nearly 5,000 years ago and yet was still so beautifully preserved. Too bad that old recipe of the Pharaoh family was lost. They did make such good preserves.

The last word is that the little lady's hair was dyed a henna color.

Either that's news or something has stimulated a sudden change in Hollywood fashions. Just a little while ago, about every other potential movie queen you saw was going in for the platinum effect; and only too frequently, alas, the effect was that of a new tin roof

Irvin S. Cobb

Now, by the great gods, the stylish ones are going red, reddish or redder. Today, within half a mile, I counted ten redheads, and not a white horse in sight, to prove the ancient saying.

Waning Presidential Booms.

WHAT with cyclones and floods down south, the daily press somehow failed to record among our spring casualties the untimely end of the Governor Talmadge boom. Poor little thing, it passed away at its home in Atlanta, Ga., just as it was learning, in prattling accents, to lisp "pa-pa."

Still the shock did not catch some of us unawares. We had a feeling it wasn't going to live. The second summer is so frequently fatal to those incubator babies.

For instance, you take the Ham Fish boom. Or if you didn't take it, somebody certainly did, because it hasn't been seen, or even heard of for months and months.

Gridiron Club Dinners.

EXCEPT the obituary column, nothing could be sadder than the newspaper account of a gridiron club dinner. Yet gridiron club dinners aim to be satirically amusing and frequently are.

Turning them out must be a tremendously hard job, because they deal with the national political scene, and any producer of farces will tell you you can't burlesque a burlesque. In other words, you can't be very funny on a subject which already is so much funnier than anything you can think of—and that's what the fellows at Washington are up against.

This business of trying to be comic is a serious business anyway, especially since all comedy is predicated on distress. A fat man falling down makes us laugh because he suffers both in spirit and flesh. But if he is a pallbearer, say, at a funeral and falls down on his own high hat and maybe breaks up the services—well, now then, you've got something that's really funny.

A definition of comedy could be: Tragedy standing on its head, with its pants torn.

Self-Chosen Landon Aids.

GOVERNOR LANDON must feel awfully fractional, not to say badly scattered, what with being leveled on by so many comparative strangers all at once. Every day or two, with an altruism rare in this selfish age, some gallant volunteer effects himself by acclamation as the governor's eastern manager or his western manager, or his northwestern-by-southwestern manager or something. It makes no difference that he may never have heard of these parties before; up to six months ago, they'd never heard of him either.

He's like a previously neglected orphan child who suddenly comes into prospects and finds everybody in town trying to adopt him. Maybe a better simile would be that of a lone Thanksgiving turkey at a table of hungry boarders with this one snatching the drumstick and that one grabbing the second joint—and Mr. W. R. Hearst clinging, with a grip of iron, to the wishbone.

Folly of a Parole System.

THE perpetrators of the kidnapping case of a few months ago up in the state of Washington were both chronic offenders who, despite their records, had been paroled.

The fiend who recently committed the most hideous child murder that California has known in years was a convict out on parole. The degenerate who has just confessed to murdering that poor defenseless girl in New York the other day was—yes, you've guessed it—he was a convict on parole.

And all over the Union the work of turning loose criminals who have not completed their terms of punishment, indeed, in some cases hardly have begun them, goes merrily on.

Other Cars Noted In State Records

While the outstanding feature of the issuance of titles, licenses and stickers for automobiles by the Department of State is the volume of new cars, clerks note with interest the proof of the endurance of some of the sturdy old ones as shown in applications.

Within recent days, 1936 license plates have been issued for two 1915 automobiles. The Olds Motor Company of Lansing, however, has just secured a Michigan title to a 1911 car purchased by that company at Roxbury, Massachusetts. It weighs 5190 pounds and is equipped with 42 inch wheels, relics of earlier days of the industry.

No application for 1936 license plates has been received as yet. The cost of plates at 35c per hundred weight would be \$18.20.

Among the Clerks

(By J. Wellington Bumsted)

If you've been wondering at the studious look upon the classical features of our local baker, stop pondering. He has almost confessed that is "walking the border" once more. In other words—the Missus has returned from a visit with mama and papa!

"Pete" Wheeler, of the Shop-penagons Inn, has them all guessing again. Saturday evening, this be-dimpled waitress turned up at the Hayloft dance with a plain little silver ring. Frankly, she has the boys bothered—especially the Camp AuSable Romeo who seems to monopolize her dances!

We hear that Bob LaMotte, of Schweitzer & Wilson week-ended in Detroit. Bobby must have been mighty lonesome. Never mind, Bob, she'll be back behind the counter tomorrow.

We hear "Ike" Jendron is cutting quite a figure at Johannesburg and is especially popular with the "Schoolmarm's." Ike used to be a "drink mixer" at Spike's but is doing surveying for the Re-Settlement division at Johannesburg.

Byron Randolph is the newest addition to the Schweitzer & Wilson force.

Menno Corwin, of the Corwin & Corwin Garage, subjected himself to a very convincing sales talk a short time ago with the result that he is now driving a

bran new maroon-colored Terra-plane Touring brougham.

I'm wondering why Jim and "Biddie" don't stake a claim on the fishing at Pinconning. It seems that the boys simply can't stay away. Went down again yesterday to try their luck.

Eva Mae Bugby, formerly of the Central Drug store, is using some of her charming manners on the Hanson Cafe patrons now.

"The honeymoon is over," says soliloquizing Elizabeth, "when hubby begins to wonder how those little hands that make the biscuits are ever able to carry them to the table."

Recreational Notes

Now that Old Man Winter has left us, no doubt many of you people have been anxiously waiting to get outdoors for exercise in some mild or strenuous form.

During the coming spring and summer months the W. P. A. Recreational Division will endeavor to organize various types of physical activities, or if there are any folks in the community who have some desired activity they would like to participate in, get in touch with A. Clough or E. Fenton and give them the details on it. This is your program, so make use of it.

We hope to be able to organize a soft ball league of four or six teams as we did last year; if any of the teams that were in the league last year wish to join this year again, let us know immediately. We would like to start as soon as possible. Horse-shoe teams will be organized again this year as courts are now being made and the interest is very high among the older gent's.

A 22-shooting range may be set up later on for those who wish to continue target practice. We are hoping that Archery and Badminton can be set up for the ladies if they will demand it or any sport they wish. Both of these are excellent activities for men and women. We hope to have the people of Grayling co-operate in this program and we will endeavor to organize activities for all who wish it. Any requests or demands for activities will be greatly appreciated by the W. P. A. leaders, both in Grayling and Frederic.

R. Robertson.

The fastest growing game in the last year is softball. Almost overnight it has skyrocketed to national popularity. It is a game that can be played by young and old.

In a certain city in Florida there are two teams whose players average more than eighty years per man.

Throughout the country there are thousands of people taking part in softball games, and many more thousands attending the games. In the city of Chicago alone there are 900 organized teams.

Softball at one time was a dull and harmless game, but the present game is different. The ball is far from being soft and most players wear gloves to protect their hands.

The depression was a factor in making the game so popular. It costs much more to maintain a hardball team and many small towns substituted softball in its place. A few cheap bats and balls are all the equipment needed. The game also requires less playing space.

It is a game that can be played in the evening. It consists of only seven innings and can be finished in a short time. Many cities have lighted soft ball fields and play all their games at night.

Last summer Grayling was one of the many cities having a softball league. It consisted of six teams which played a regular schedule throughout the summer. Many young and old fellows took part in these games. We hope to have another organization to equal last summer's.

The weather is warm enough now to permit outside activities. Anyone caring to organize a softball team please do so at once. We would like to start playing regular games by the 15th of May.

Those caring to try their skill at horseshoe pitching can do so by coming to Wells' field. New courts have been fixed and we expect some very fine games for the summer.

This program is sponsored by the Recreational Division of the W. P. A.

Elmer Fenton.

Citadel of Faith

High in the mountain fortress, nestled beneath the jagged pinnacles and spires of Montserrat and 50 miles from Barcelona, is the famed historic monastery of Montserrat, Spain's great citadel of faith. Once inaccessible, the monastery dates back to the Story of the Statue, when Saracen hordes invaded Spain and destroyed the Christian churches. To save dishonor to the Statue of the Virgin, pious inhabitants of Barcelona fled with the image to the mountain fastness.

SALAD DRESSINGS

THE basic dressing which is more used than any other is french dressing. Prepared with a sweet, fresh olive oil there is no dressing more appetizing. One may use any of the table or salad oils in place of the olive if preferred. Take six tablespoons of oil, two of vinegar or lemon juice, one teaspoon of salt, one-fourth teaspoon of white pepper or a few dashes of cayenne. Beat thoroughly until well mixed. Adding a small piece of ice will hurry the mixing. For a sauce to serve with cold meats and tongue use:

Worcestershire French Dressing.
Add to the french dressing one and one-half tablespoons of worcestershire sauce, beat well. For any green salad, add two tablespoons of chili sauce to the french dressing with a teaspoon of minced onion or one-fourth teaspoon of onion juice.

Southern French Dressing
To the rice yolks of two hard cooked eggs, add one teaspoon of minced green pepper. Serve with meat, vegetable or fish salad, with the french dressing.

Pickled Onion French Dressing.
To the french dressing add one-half teaspoon of dry mustard, mixed with the salt and two tablespoons of finely minced pickled onions. Serve on fish or meat salads such as tongue or corned beef.

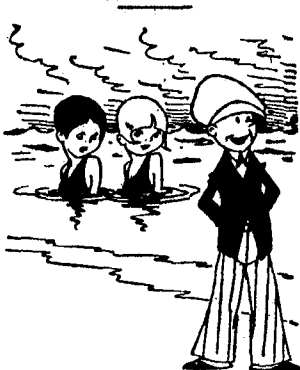

Snappy Cheese Dressing.
Mash one-half cup of snappy cheese, mix with one-half teaspoon of dressing and serve on lettuce.

Chiffonade Dressing.
Add to the french dressing one tablespoon of pimento, one-half tablespoon of parsley and one hard cooked egg, all finely minced.

Savory French Dressing.
To the french dressing add one-half teaspoon of onion juice or minced parsley, one tablespoon of chow-chow, mix well and serve on asparagus tips, cucumber or any vegetable salad.

CIVIL SERVICE COMMISSION WARNS AGAINST MISLEADING INFORMATION

Washington, D. C., May 8.—The United States Civil Service Commission has sent a notice to post offices, warning that misleading information is being given the public by representatives of some of the correspondence schools which sell "civil service" courses. For a long time, the Commission has been receiving complaints from different parts of the country which indicate that opportunities for obtaining Federal employment have been greatly exaggerated.

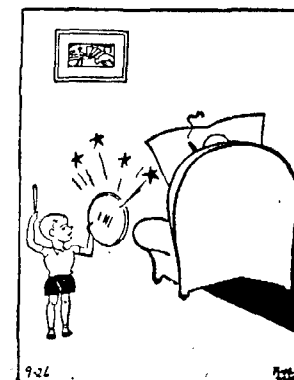

It was made clear that no school has any connection whatever with the Civil Service Commission or with any other branch of the Government, and also that the Commission has no

agents who solicit applications for civil service positions or who sell "civil service" courses.

No school can "guarantee" Government employment and none is given information regarding examinations, or any other information, which is not available to the general public. The Commission stated that it does not recommend any school, and explained that it is not necessary for anyone to take a course with a so-called civil service school in order to compete in a civil service examination.

A special point was made of the fact that information concerning examinations may be obtained at any time, without cost, from the Secretary of the Civil Service Board at any first- or second-class post office or from the Commission's office in Washington, D. C.

Vancouver Hindus Cremate Their Dead Publicly

ALTHOUGH they are dressed in the manner and mode of the western hemisphere, the members of this Hindu colony on Vancouver Island still cling to their old world customs. One of them is the public cremation of their dead. The body, covered with a sheet, is placed on a pile of cordwood, and when the last rites of the Hindu faith are performed, additional wood is placed over the body and the entire mass set afire. In this picture the last rites are being said over the body of Karmal, the wife of Kartar Singh.
